**Plan Description**

Tasteful details enhance the charm of this Traditional style two story house plan. A covered wrapping porch leads guest inside to the home's entry area. The great room is brightened by 3 windows and warmed by a fireplace. Adjacent to the great room, the kitchen, with a practical breakfast island, walk-up pantry and views to the front yard, opens to the dining area. Upstairs, the master suite's bedroom, which is brightened by 3 windows offers it's own bath room and walk in closet. Bedrooms 2 and 3 each have their own walk-up closets and share a centrally located bath. This home plan is designed with 9' walls, 2x4 construction, rafter framing, and with a basement foundation. Check out our other small house plans! As always any Advanced House Plans home plan can be customized to fit your needs with our alteration department. Whether you need to add another garage stall, change the front elevation, stretch the home larger or just make the home plan more affordable for your budget we can do that and more for you at Ahp.
