## Plan Description

The Amherst dog house is a cozy plan that will look great in anybody's backyard. The large dog run gives your furry friend a great space to be outdoors while still safely locked up. A sliding barn door is located on the back of this plan so your dog food and toys can be stored inside without allowing your dog to access them on their own. A chain-link fence separates the dog's living quarters from the rest of the dog house. All of the other dogs in the neighborhood will be jealous of this one!
