Plan Description

The Ashville is a unique 2 story Southern style plan. The home is highlighted on the exterior by a large covered porch and white stucco siding. Black doors and shutters give the home a more modern feel. Just inside the home, the living room is warmed by a fireplace and allows an abundance of natural light through its stunning set of french doors. The kitchen, dining room, and great room flow seamlessly in a wonderful open floor plan. The kitchen includes a large island and a walk-in pantry. The dining room has an amazing built-in buffet. The great room has a stunning double-sided fireplace and leads out to the screened-in porch through a set of french doors. Upstairs, you'll find 3 bedrooms and a laundry room. The master suite lies under a trayed ceiling and includes a soaking tub, his/her vanities, an enclosed toilet area, and a walk-in shower. The master closet leads to the laundry room for the ultimate convenience. Bedroom 2 and 3 each has its own bathroom. Back on the main floor, the homes oversized 2 car garage enters the home through a convenient mudroom with a catch-all, bench and lockers,
