## Plan Description

The Eden Park is a Mediterranean Style Ranch with a functional floor plan and unique exterior. The stucco finish and large pillars give this home great curb appeal. The Eden Park features an open floor plan that feels huge! After passing the entry, you are greeted by tall cathedral ceilings throughout the great room and kitchen. There is a deep walk-in pantry, a mudroom that connects to the laundry room, which then flows right into the master bedroom walk-in closet. In the master bathroom there are his and her vanities along with a soaker tub. On the other side of the house are two bedrooms that share a hall bathroom. The side load garage offers ample of space for most vehicles.
