## Plan Description

The Glenwood plan is a stunning pool house plan that has exciting features. Starting with the exterior, contrasting siding and cedar accents give this plan a unique modern facade. A large 4-pane sliding glass door opens the inside up to the pool area. This plan's kitchen includes a large island with a snack bar, a full-size refrigerator, and a pantry. On the left side of the plan, you'll find a bathroom with a shower to rinse off after a day of swimming. There is also a changing room that includes a bench and hangers. A storage area is accessible from the outside and is perfect to store all of your pool supplies.
