## Plan Description

This stunning modern style garage plan offers a spacious 3047 sq ft of garage space, perfect for housing a collection of cars or serving as a workshop. The high 15' ceilings allow for plenty of room to maneuver and accommodate larger vehicles or equipment. In addition to the ample garage space, this plan also includes 1000 sq ft of finished living space, perfect for use as a guest suite, home office, or recreation room. The open floor plan of the living space includes a kitchenette, an office, a bathroom, and plenty of room for comfortable furniture and activities. The sleek, modern design of this garage plan is sure to impress, making it a desirable addition to any property.
