Plan Description

The Lakeland plan is a beautiful modern farmhouse plan. The exterior features board and batten siding with a courtyard garage. At just over 1900 square feet, this plan is a great size for any family. Just inside the home, you'll walk into a large great room that is warmed by a fireplace with built-in bookshelves. The kitchen flows seamlessly with the great room and dining room in an open layout. The kitchen includes a walk-in pantry and a large island with built-in shelves. The master suite includes his/her vanities, a walk-in shower and a large walk-in closet that accesses the laundry room. Bedrooms 2 and 3 share a centrally located hall bathroom. An optional bonus room above the garage adds 315 sq ft.
