## Plan Description

The Litchfield dog house is a cozy plan that will look great in anybody's backyard. The dog run is 100 sq. ft., giving your furry friend a great amount of space to roam while still being safely penned up. A person door is located on the side of this plan so your dog food and toys can be stored inside without allowing your dog to access them on their own. A chain-link fence separates the dog's living quarters from the rest of the dog house.
