Plan Description

Featuring a beautiful modern farmhouse exterior facade, the Naperville is a charming 1 story house plan with a great floor plan to match! The front of the house shows fantastic curb appeal with its porch and contrasting siding materials and colors. The Naperville features an open floor plan that feels huge! It's got a deep walk-in pantry, hidden by cabinet-faced doors and bench and locker storage in the mudroom to keep your belongings organized. The great room is warmed by a fireplace that is flanked by built-in bookshelves. At the rear of the home, the master suite is generously sized with a shower and spa room and a spacious walk-in closet. Located on the left side of the home, bedrooms 2 and 3 share a centrally located hall bathroom.
