Plan Description

A variety of exterior textures lend a decidedly Mediterranean feel to this attractive 1.5-story house plan. As you enter the home you will notice the high ceilings in the great room and an open kitchen. There is a cozy den with a fireplace off of the dining room. The master bedroom is located on the main floor and has a massive walk-in closet. As you find your way upstairs you will find 2 bedrooms that share a Jack and Jill bathroom. The home also features 1343 sq. ft. of garage space with a mudroom off of each garage.
