## Plan Description

This modern barndominium has a touch that makes the home not only feel luxurious, but also comfortable. As soon as you step in through the large three car garage, you're greeted by a beautiful mudroom and a great open space for gathering with the family. The kitchen features a walk-in pantry and a wide space with a view straight to the great room, leaving no guest unnoticed. There are three bedrooms in the Shreveport plan. Two share a hall bath, and the other with a large double vanity, walk-in shower, and walk-in closet. Step outside onto the screened patio for more entertaining and relaxing space. This barndominium is unlike any other.
