Plan Description

Welcome to your new modern farmhouse, where a perfect blend of rustic charm meets modern convenience in a spacious multi-family layout. The exterior boasts a captivating blend of board and batten siding paired with classic lap siding, creating a dynamic visual texture that enhances its charming farmhouse appeal. As you enter the home, you're greeted by an expansive great room that seamlessly flows into the dining area and kitchen, creating a cohesive and inviting space perfect for both entertaining and everyday living. This expansive space is thoughtfully designed to maximize both comfort and functionality, with large windows that invite abundant natural light and offer picturesque views of the surrounding landscape. Upstairs, you'll find three well-appointed bedrooms which provide a perfect balance of communal and personal space. The master suite is a luxurious retreat, featuring a spacious walk-in closet and a sophisticated attached bathroom. Conveniently located next to the laundry room, this arrangement ensures practicality and convenience.
